

MUHAMMAD AJMAL

BRAND IDENTITY DESIGNER

My name is Muhammad Ajmal and i'm a Brand Designer with over 7+ years of the experience in the field of Design and Social Media, Logo and Brand Design is my passion. I really believe that design can only be original and relevant if it finds inspiration from the conditions and circumstances out of which it is required. That's why I work with people rather than just for them. I work efficiently and meticulously because I know our clients want effective and flawless designs in a timely manner.

EXPERIENCE — Brand Designer / Pixelpk Technologies

2021 - Present

Understanding how people search in mobile browser and how to improve and augment their experience with searching, Branding and designing a cross-platform application with task groups note taking and sharing
